

Skyline Spartans Lacrosse Club | Assistant High School Coach Position Description

Position Summary

Skyline Spartans Lacrosse Club is seeking a dependable and positive Assistant Coach to support its high school boys lacrosse program.

The Assistant Coach reports to the SSLC Program Director/Varsity Head Coach, works collaboratively with the other high school coaches, and coordinates with the SSLC Board as requested. The role includes supporting player instruction, supervision, practices, games, and other team activities.

The specific team assignment and area of focus will be determined by the Program Director based on program needs and the coach's experience.

Responsibilities

The Assistant Coach will:

- Assist the Program Director/Head Coach with practices, games, and other team activities.
- Teach lacrosse fundamentals, position-specific skills, team concepts, and game strategy.
- Provide players with clear instruction, constructive feedback, and encouragement.
- Support game preparation, film review, sideline organization, player supervision, and team safety.
- Promote teamwork, sportsmanship, accountability, and a positive competitive environment.
- Communicate professionally with coaches, players, and families as directed by the Program Director.
- Follow SSLC conduct standards, coaching expectations, and applicable league policies and procedures.
- Support youth clinics and other club activities as requested.

Character and Conduct

The Assistant Coach is expected to model and reinforce the SSLC values of **Brotherhood, Excellence, Discipline, Toughness, and Honor** and contribute to a safe, respectful, and development-focused team culture.

Qualifications and Requirements

The successful candidate will demonstrate:

- Previous lacrosse coaching or playing experience.
- A strong understanding of the game and the ability to teach players with varying levels of experience.
- Strong communication, teamwork, and relationship-building skills.
- Dependability and the ability to follow the direction of the Program Director/Head Coach.
- Availability for practices, games, and required team activities, including evenings and weekends.
- Complete USA Lacrosse Bronze-level certification and maintain current CPR and First Aid certification. If not currently certified, SSLC will reimburse the Bronze-level certification cost.
- High school, club, or collegiate playing or coaching experience is preferred.

Compensation

This is a seasonal stipend position. Compensation will be discussed with qualified candidates during the interview process.
